ABOUT ME

Versatile Interior Designer with expertise in residential execution, photorealistic 3D rendering, and complete project oversight. Combines a strong background in technical drafting and client management with hands-on site leadership—taking projects seamlessly from initial draft to complete staging.

EDUCATION

National College of Arts | 2024-2025

Masters of Interior Design

Lahore College for women University | 2019-2023

Bachelors of Interior Design

WORK EXPERIENCE

Development and Architectural Corporation | Feb - July 2026

Interior Designer

Managed the complete interior design lifecycle single-handedly, from initial 3D modeling and photorealistic rendering to on-site execution. Handled full project operations, including drafting BOQs, sourcing furniture and coordinating with vendor.

Syed Brothers Designers and Builders | Sept 2025- Jan 2026

Senior Interior Designer (Residential)

Led client consultations to guide homeowners on spatial solutions, material choices, and design aesthetics tailored to their lifestyle. Translated each client's vision into functional residential layouts and oversaw the design process through final execution.

Double U Builds | Sept 2023 - July 2025

Interior Designer

Developed detailed 2D architectural drawings and technical layouts for residential and commercial projects. Built 3D models and rendered realistic visuals to support project development and execution.

Aenzay Interiors and Architects | June 2023 - July 2025

Interior Designer Intern

Dedicated internship role centered on bringing initial design ideas into 3D environments. Built detailed 3D models and high-quality renders to assist senior staff with project presentations and visual concepts.
